### VILLAGE THEORY TESTIMONIALS

#### Village Theory 13pc - Palm Beach, FL

*I know we mentioned this several times but we just wanted to reiterate how overwhelmingly incredible you were... from the moment we started working together, to Bradley dealing with crazy requests, to the actual performance...it was just simply perfect. I've been to 25+ weddings over the last few years and I'm not exaggerating when I say...the amount of people praising you guys was unheard of. I've had 3 friends already tell me they want to cancel their band to hire you...to which I'm pretty sure we told them, good luck, maybe in 2025...you'll forever be in our memories, so thanks for making this the night of our lives!! - The Brandels (Bride & Groom)*

#### Village Theory 11pc - New York, NY

*Village Theory is unbelievable. I can't tell you how many people told us it was easily the best wedding band they've ever seen, and we couldn't agree more. Just incredible energy, unreal talent, and nailed the vibe. They are also all just awesome, fun people and were not only welcoming with our requests but took them to the next level. You and your whole team have been awesome throughout this whole process and we hope to one day have a chance to do another event with you guys! - Jordan (Groom)*

#### Village Theory 12pc - New York, NY

*Morgan, Bradley, and please share this with the rest of VT, you guys are incredible. We spent countless hours trying to decide on what band to work with for our wedding and probably had unreasonable expectations, yet somehow you absolutely BLEW AWAY EVERYTHING we were hoping for in a band. The talent in your group was unbelievable, the way in which you accommodated our requests was amazing (the Shout rendition was so awesome!!). The energy you brought to the party was incredible and felt so authentic, and most of all the entire group was just full of great, friendly people. Countless of our friends, who have dragged us to far too many weddings over the years, told us last night was easily the best band they've ever seen. We are also very appreciative of the supportive and flexible way in which you accommodated the guest performer rehearsal and performance. You were an absolute pleasure to work with leading up to the event. Thanks again!*
