The Social 12pc - Bermuda

WOW truly WOW I can not explain to you how amazing The Social was. I still re-watch the videos our friends and family sent us about 45x per day. You all were truly my dream band and I am just so happy with how everything worked out. I am obviously very sad that this day is over but THRILLED Aragon is working with my sister Kate in September. Multiple friends stated that The Social was hands down the best band they had ever heard and I know at least two of our friends inquired about booking. Truly for the rest of my life I will think about my first dance with Mark, my father-daughter dance, and of course my crowd surf. Thank you thank you thank you for the opportunity of a lifetime and I hope at some point our paths will cross again in the future!! - Ellie & Mark (Bride and Groom)

The Social 20pc + DJ Darwin - Palm Beach, FL

Thank you beyond! Unbelievable! We are so thankful to the entire big band! We loved every second! We love you all and appreciate you all so much. When you sang Alicia Keys, I couldn't believe my ears, and then 'Peaches' in that slow version getting ready for dinner...I was just exploding! My heart is so full of gratitude. I told the singers that there was a problem...that if another person came up to me and told me how wonderful and amazing you were...lol! I have no words. - Alan (Father of the Bride)

You were all so incredible throughout the wedding planning process and continue to be amazing and blow us away! Special people like you all are hard to come by and we are so glad that you were a part of our journey and are now a special part of our lives. Thank you so much again, our hearts feel so full. - Ali & Jon (Bride and Groom)

I didn't want another day to go by without thanking you for a magical evening!! The music was spot on and I'm so glad you insisted on the horns. All our guests were floored and had the best time. Have a wonderful day and I look forward to our next time working together. - Rosy (Mother of the Bride)

The Social 23pc - Miami Beach, FL

The band MADE the party. Wow! The show and energy were unreal. Everyone is still talking about it. Also know, my wonderful experience working with you is apparently pretty rare—everyone I spoke with who had big bands at their wedding said that their bands were not easy or fun to work with. So kudos to you and thanks again! - Tatum & Morrison (Bride and Groom)

The Social 11pc - Boca Raton, FL

The Social 12pc - West Palm Beach, FL

A giant thank you -- we have gotten such wonderful feedback on the music on Friday night!! Please extend our appreciation to your entire group, and a big thank you for working with us on the requested "quiet" portions of the gala. One of our chairs shared the following tidbit from a thank-you note with me: "We especially enjoyed the band and how subdued they were during dinner, so we could actually talk to each other! But we ALL were all THRILLED that the minute the program concluded, you had everyone up, out of their seats, on the dance floor. I always worry whether that will actually happen in a gala atmosphere, and it was fabulous to see it come into play. Thank you for that, but most of all, thank you for the wonderful artistry of your musicians and singers. We look very much forward to the next time we can collaborate, and I personally thank you for a job well done!" - David (Event Planner/Designer)

The Social 12pc - Palm Beach, FL

I have been doing events for many years, and to say that Aragon was the most professional, organized, talented, and kind vendor I have ever worked with is an understatement. What your team delivered was beyond any of our expectations and it was truly a pleasure watching your team execute a fabulous show. The client was beyond blown away! The talent was unmatched, and the band was incredible! I am SO looking forward to our next project. - Joe (Event Planner/Designer)

Leading up to the wedding, we kept hearing how good The Social is. They undersold it. The band was unbelievable. The amount of texts and calls we've received about the band is wild. They exceeded our expectations by miles. We couldn't have been happier and they are the main reason our wedding was what it was. We can't thank you enough!! - Alexis (Bride)

The Social 11 - Palm Beach, FL

We just want to thank you and the entire Social crew from the bottom of our hearts. You both were so easy to work with and everyone at the wedding absolutely loved each member of the band. Each member of the band was incredibly talented in their own right. They had so much energy and were super engaging. I personally loved when one of the female singers came onto the dance floor to sing, that was amazing!!!! And we loved

Aragon team,

We just wanted to send the biggest thank you for making our wedding night absolutely incredible!!! We truly cannot get over how amazing you all were. Our guests have not stopped raving about the band and everyone keeps saying it was literally the best band they've ever seen and how flawless and professional you all were.

Our only regret from the entire day is not setting up a tripod with one of our phones to record the band the whole night, because we would genuinely watch it back on repeat. The band brought so much energy, fun, and talent to the night, and we're endlessly grateful.

And Johan!!!! The Red Hot Chili Peppers song and the pop punk moments meant so much — they were such a special touch and made the night even more personal and unforgettable for us.

We've already been recommending you to everyone we know, and we'll keep doing it forever. Thank you again for making our celebration everything we dreamed of and more!!!!

Please pass along our thanks to the rest of the Social gang!!
