*We can't thank you enough for the over-the-top and incredible performance at Claire and Matt's wedding at Shoreacres! We have received so many compliments on your band from our family and friends. Most importantly, you packed the dance floor and kept the place rocking! The pace was perfect and your professional demeanor was spot on and created the fun-loving vibe that Claire and Matt dreamed of for their wedding. Truly, you set the stage for an amazing night. Everyone was blown away by your beautiful voices and incredible sound -- and the size of the band! The two-tiered stage was such a spectacular presence! We are so thankful that Jesse introduced you/your band to us. You all were perfect fit in every way. My only complaint is that it went way too fast! Let's do it all again! Many, many thanks! - Cindy (Mother of the Bride)*

*You guys were BEYOND and made the whole night so incredibly fun! I don't think we (or any of the guests, for that matter) ever left the dance floor - it was just way too much fun! You guys are the best - so many people asked where we found you and said you were the best band they had ever seen! I wish we could do it all over again!*

*On behalf of Tom, myself, and our families, we cannot thank you and the band enough for making our wedding SO amazing!! We are three weeks out and our guests have not stopped raving about how great Affinity was. The band's energy was insane, so insane in fact that Tom and I thought we were rock stars and crowd-surfed during some of the set LOL. I'm sure that is not the first time this has happened because you all have an infectious energy that gets the whole crowd wild! More importantly, you listened patiently as we provided our thoughts around the music, took the time to learn the Israeli songs Tom sent over, nailed the string version of "Sweet Disposition", and made our first dance incredibly special with the "Latch" mashup. I understand how difficult working with clients can be, but your willingness to go the extra mile and bring all the energy made this whole experience extremely memorable. It really does take a village and we owe it all to the Affinity team for making this wedding such a success. I will absolutely be referring Aragon to my friends and family, and already sent your info over to a few brides-to-be. I really do hope we all cross paths in the future. Hopefully we didn't drive you all too crazy! Best wishes as you continue with wedding/ event madness. Thank you again!*

*All of our guests cannot stop talking about how amazing the band was on Saturday night. The more intimate space and night club vibe was fantastic and most importantly, everything sounded perfect. Lizzie and I nailed our first dance thanks to you! My highlight was you and Lizzie singing New Romantics. Thank you again for all of your help over the past couple months. We couldn't have done it without you!!*

*Wow. Where do I start? I am still smiling ear to ear thinking about the success of the gala. I cannot thank you enough for all of your hard work leading up to the event and throughout the whole evening. You all blew us away with your talent, enthusiasm, kindness and execution. I have received SO many texts and emails about how incredible you all were - and I couldn't agree more. Thank you for coming on board this year and for rocking the house. You played a huge role in the evening and we are eternally grateful for your over-the-top support and generosity.*

*Morgan & Andrew - I wanted to thank you for performing at our wedding at The Boca Raton on October 13! Almost every conversation I have with someone who attended our wedding, regardless of their age, begins by them mentioning how amazing the band was and how much fun they had on the dance floor. Lexi and I joked that we had to remember to pace ourselves throughout our wedding and the second the music started we joked that we completely disregarded that and danced as much as we could. Thank you for putting on such a great performance and really grasping the vibe during the night!*

*Hi Morgan! We loved having you be a part of our wedding team!*

*EVERYONE is still talking about "the band". You brought it!! Love how the dance floor was packed all night ... with the young AND the older crowd. Please tell all the members thank you so much. Just wish we could have snagged you for our November wedding. Please also tell Erika that she was perfect for the first cocktail hour. We went back and forth as to what to do out there and I think it was the perfect choice. Take Care and All the Best!*

*Morgan: Just wanted to drop a line and say what an incredible wedding we had on Saturday night, and Affinity is a huge reason why. Morgan, your band had everyone on the dance floor from start to finish of the reception. Just the most energy I've ever seen at a wedding! The song choices were fantastic, and the way the band backed Andrew on his toast song "Andrew's Friend" was absolutely perfect!*

*We are so thankful we had Affinity at our wedding -- such an incredible memory this will always be. Many, many thanks again!*
